TERMS OF SERVICE

THESE TERMS OF SERVICE, including the Order(s) and any applicable Service Attachments, which by this reference are incorporated herein (**"Agreement"**), are a binding agreement between Techwebhosting Internet Solutions, LLC, d/b/a EdgeNode, a Kentucky limited liability company with a mailing address of PO Box 64, Shelbyville, KY 40066, ("EdgeNode"), and the legal entity identified in the Order ("Customer"). EdgeNode and Customer may be individually referred to as a "Party" or collectively as the "Parties."

EdgeNode provides services and equipment intended solely for business use, pursuant to the terms and conditions set forth in this Agreement and on the condition that customer accepts and complies with this Agreement. By (electronically) signing this Agreement, Customer (a) accepts this agreement and agrees that Customer is legally bound by its terms; and (b) represents and warrants that: (i) its representative is 18 years of age or of legal age to enter into a binding agreement; and (ii) has the right, power, and authority to enter into this Agreement on behalf of the corporation, governmental organization, or other legal entity, and to bind such organization to these terms. If Customer does not agree to the terms of this Agreement, neither Customer nor its End Users may download, install, or use the services or equipment.

The Parties agree as follows:

1. Definitions

The Order will identify the Services requested by Customer together with: (i) the price for each Service; (ii) scheduled Start Date; (iii) and products leased, licensed or sold to Customer, if any.

An Order will become binding when it is executed by the Customer and accepted by EdgeNode. EdgeNode may accept an Order by commencing performance of the requested Services. The Services will begin on the Start Date, as identified in the applicable Order. Customer may purchase additional Services, software, and equipment through Orders via the Customer Portal or may be sent via email upon request by Customer.

C. Equipment

Subject to availability based on brand and Customer location, Customer may purchase or rent equipment from EdgeNode for use with the Services.

D. Term of this Agreement

The Term of this Agreement will commence on the Effective Date and continue until the last Order Form is terminated or expires, unless terminated earlier in accordance with its terms.

E. Services Term and Automatic Renewal

The Services' term will begin on the Start Date of the initial Order and continue for the initial term set forth in the initial Order ("Initial Term"). Upon expiration of the Initial Term, recurring Services will automatically renew for successive periods of the same length as the Initial Term (each a "Renewal Term") unless either Party gives notice of non-renewal at least thirty (30) days before the expiration of the Initial Term or the then-current Renewal Term.The term of any recurring Services added to the Account after the initial Order is submitted will start on the Start Date of the subsequent Order, will run coterminously with the then-current term of any pre-existing Services, and will be billed on the same billing cycles as the pre-existing Services.

3. Invoicing and Payment

A. Prices and Charges

Additional charges may result if Customer activates additional features, exceeds usage thresholds, or purchases additional Services or equipment. Customer will be liable for all charges resulting from use of the Services on its Account.

Recurring charges for the Services begin on the Start Date and will continue for the Term. Recurring charges (such as charges for Digital Lines, product licenses, minute bundles, and equipment rental fees) will, once incurred, remain in effect for the Initial Term (as described in an

Order Form) or the then-current Renewal Term. EdgeNode will provide notice of any proposed increase in such charges no later than thirty (30) days before the end of the Initial Term or then-current Renewal Term, and any such increase will be effective on the first day of the next Renewal Term. Administrative Fees that EdgeNode is entitled to pass on to its customers as a surcharge pursuant to applicable Law may be increased on thirty (30) days' written notice.

Outbound calling rates will be applied based on the rate in effect at the time of use. Customer may locate the currently effective rates in the Customer Portal.

B. Billing and Payment

All Services and equipment must be paid in full at the time of purchase. Customer may provide a valid credit or debit card, and in doing so Customer is expressly authorizing all Services and equipment charges and fees to be charged to such payment card, including recurring payments billed on a monthly or annual basis. In addition, Customer's supplied credit card shall be used for any in-month purchases of additional services and products, or where Customer has exceeded usage or threshold limits, or any overage charges. Recurring charges are billed in advance in the frequency set forth in the Order Form, and usage-based and one-time charges are billed monthly in arrears. Credit and debit card payments are subject to the approval of the card issuer, and EdgeNode will not be liable in any way if a card issuer refuses to accept a credit or debit card for any reason. Customer is responsible for any credit card chargeback or similar fees for refused or rejected payments that EdgeNode is entitled to charge under this Agreement. If the payment card associated with Customer's Account is declined or fails for any reason, EdgeNode will send Customer a notice using the contact information associated with Customer's Account. EdgeNode may continue to attempt charging Customer's payment card for outstanding charges and additional fees along with any other rights and remedies available to EdgeNode under this Agreement, at law or in equity.

Unless otherwise stated at the time of purchase or on the invoice, payment is due in full, without deduction or set-off, within ten (10) days of the date on the invoice. Any payment not made when due will be subject to a late payment fee equivalent to the lesser of (i) one and a half percent (1.5%) per month; or (ii) the highest rate allowed by Law. EdgeNode's acceptance of late or partial payments (regardless of how they are marked or designated (including without limitation as 'Paid in Full', 'Accord and Satisfaction', or similarly)) will not waive, limit, or prejudice in any way EdgeNode's rights to collect any amount due. Customer shall also pay EdgeNode the sum of $50 USD for each returned check. EdgeNode may terminate the Services and this Agreement for non-payment if any fees or charges are not paid within thirty (30) days of EdgeNode sending written notice to the Customer of Customer's failure to pay any amount when due. Customer shall reimburse EdgeNode for any attorney fees, costs, or expenses it incurs in connection with the collection of sums due by Customer hereunder or the enforcement of the terms herein.

C. Taxes

All rates, fees, and charges are exclusive of applicable Taxes, for which Customer is solely responsible. Taxes may vary based on jurisdiction and the Services provided. Taxes, access fees, universal service or other recovery fees, or similar charges will be adjusted on the date in which those increases become effective as mandated by competent authority. If any withholding tax is levied on the payments, then Customer must increase the sums paid to EdgeNode so that the amount received by EdgeNode after the withholding tax is deducted is the full amount EdgeNode would have received if no withholding or deduction had been made.

D. Billing Disputes

If a Customer reasonably and in good faith disputes any portion of EdgeNode's charges, it must provide written notice to EdgeNode within thirty (30) days of the invoice date, identifying the reason for the dispute and the amount being disputed. Customer's dispute as to any portion of the invoice will not excuse Customer's obligation to timely pay the undisputed portion of the invoice. Upon resolution, Customer must pay any unpaid amounts within thirty (30) days. Any amounts that are found to be in error resulting in an overpayment by the Customer will be applied as a billing credit against future charges. Customer will be reimbursed any outstanding billing credits at the expiration or termination of this Agreement.

4. Provision of the Service

A. General Terms

EdgeNode will provide the Services as described in the relevant Service Agreement. EdgeNode may enhance, replace, and/or change the features of the Services, but it will not materially reduce the core features, functions, or security of the Services during the Term without Customer's consent.

B. Managed Services.

Customer may purchase Managed Services from EdgeNode for use with the Services.

C. Subcontracting.

EdgeNode may provide any of the Services hereunder through any of its Affiliates or subcontractors, provided that EdgeNode will bear the same degree of responsibility for acts and omissions for those subcontractors acting on EdgeNode's behalf in the performance of its obligations under this Agreement as it would bear if such acts and omissions were performed by EdgeNode directly.

5. Use of the Service

A. Service Requirements

The Services are dependent upon Customer's maintenance of sufficient Internet access, networks and stable power reasonably necessary to support the provision of the Services based on general industry standards. EdgeNode will not be responsible for any deficiencies in the provision of the Services if Customer's network does not meet such criteria.

B. Use Policies

Customer and its End Users may use the Services only in compliance with this Agreement, applicable Law, and the Use Policies referenced below, which are incorporated into and form part of this Agreement. Customer may not use or permit the use of the Services to interfere with the use of EdgeNode's Services by others, or with the operation of the EdgeNode Network. Customer may not resell the Services. Customer must ensure that its End Users comply with the Use Policies. Any breach of this Section 5B (Use Policies) will be deemed a material breach of this Agreement.

EdgeNode may update the Use Policies from time to time and will provide notice to Customer at the email address on file with the Account. Such updates will become effective thirty (30) days after such notice to Customer.

- **i. Acceptable Use Policy**

The Services must be used in accordance with EdgeNode's Acceptable Use Policy, available at https://edgenode.us/aup.pdf.

Notwithstanding anything to the contrary in this Agreement, EdgeNode may act immediately and without notice to suspend or limit the Services if EdgeNode reasonably suspects fraudulent or illegal activity in the Customer's Account, material breach of the Acceptable Use Policy, or use of the Services that could interfere with the functioning of the EdgeNode Network, provided such suspension or limitation may only be to the extent reasonably necessary to protect against the applicable condition, activity, or use. EdgeNode will promptly remove the suspension or limitation as soon as the condition, activity or use is resolved and mitigated in full. If Customer anticipates legitimate but unusual activity on its Account, Customer should contact EdgeNode Support in advance to avoid any Service disruption.

- **ii. Emergency Services**

Should Customer elect to have phone service through EdgeNode, Customer is responsible for notifying us of your legal name and physical address where the phone service is installed for the purposes of providing E911 service. Customer is responsible for advising us of any changes to this service address so we can ensure the E911 system is current. EdgeNode does not warranty E911 service and is not responsible for incomplete E911 information. In the event of a service outage or power outage at the Customer's premises, E911 service will not function. It is recommended that customers install a battery backup to ensure services and E911 services remain functional.

6. Termination

A. Termination for Cause

Either Party may terminate this Agreement and any Services purchased hereunder in whole or part by giving written notice to the other Party if the other Party: i) breaches any material term of this Agreement and fails to cure such breach within thirty (30) days after receipt of such notice; ii) at the written recommendation of a government or regulatory agency following a change in either applicable Law or the Services; or iii) to the extent permitted by law upon the commencement by or against the other Party of insolvency, receivership or bankruptcy proceedings or any other proceedings or an assignment for the benefit of creditors.

- a) If Customer terminates the Services, a portion of the Services, or this Agreement in its entirety due to EdgeNode's material breach under Section 6(A) (Termination for Cause), Customer will not be liable for any fees or charges for terminated Services for any period subsequent to the effective date of such termination (except those arising from continued usage before the Services are disconnected), and EdgeNode will provide Customer a pro-rata refund of all any prepaid and unused fees or charges paid by Customer for terminated Services.

- b) If this Agreement or any Services are terminated for any reason other than as a result of a material breach by EdgeNode or as set forth in Section 14(K) (Regulatory and Legal Changes) the Customer must, to the extent permitted by applicable Law and without limiting any other right or remedy of EdgeNode, pay within ten (10) days of such termination all amounts that have accrued prior to such termination, as well as all sums remaining unpaid for the Services for the remainder of the then-current Term plus related Taxes and fees.

7. Intellectual Property

A. Limited License

- 1. Subject to, and conditional upon Customer's compliance with, the terms of this Agreement, EdgeNode grants to Customer and its End User, a limited, personal, revocable, non-exclusive, non-transferable (other than as permitted under this Agreement), non-sublicensable license to use any software provided or made available by EdgeNode to the Customer as part of the Services ("Software") to the extent reasonably required to use the

Services as permitted by this Agreement, only for the duration that Customer is entitled to use the Services and subject to the Customer being current on its payment obligations.

All rights not expressly granted herein are reserved and retained by EdgeNode and its licensors. Customer must provide (and is solely responsible for providing) all required notices and obtaining all licenses, consents, authorizations or other approvals related to the use, reproduction, transmission, or receipt of any Customer Content that includes personal or Confidential Information or incorporates any third-party IP rights.

C. Use of Marks

Neither Party may use or display the other Party's trademarks, service mark or logos in any manner without such Party's prior written consent.

8. Confidentiality

A. Restrictions on Use or Disclosures by Either Party

During the Term of this Agreement and for at least one (1) year thereafter, the Receiving Party shall hold the Disclosing Party's Confidential Information in confidence, shall use such Confidential Information only for the purpose of fulfilling its obligations under this Agreement, and shall use at least as great a standard of care in protecting the Confidential Information as it uses to protect its own Confidential Information.

Each Party may disclose Confidential Information only to those of its employees, agents or subcontractors who have a need to it in order to perform or exercise such Party's rights or obligations under this Agreement and who are required to protect it against unauthorized disclosure in a manner no less protective than required under this Agreement. Each Party may disclose the other Party's Confidential Information in any legal proceeding or to a governmental entity as required by Law.

These restrictions on the use or disclosure of Confidential Information do not apply to any information which is independently developed by the Receiving Party or lawfully received free of restriction from another source having the right to so furnish such information; after it has become generally available to the public without breach of this Agreement by the Receiving Party; which at the time of disclosure was already known to the Receiving Party, without restriction as evidenced by documentation in such Party's possession; or which the Disclosing Party confirms in writing is free of such restrictions.

Upon termination of this Agreement, the Receiving Party will promptly delete, destroy or, at the Disclosing Party's request, return to the Disclosing Party, all Disclosing Party's Confidential Information in its possession, including deleting or rendering unusable all electronic files and data that contain Confidential Information, and upon request will provide the Disclosing Party with certification of compliance with this subsection.

9. Data Protection

A. Data Privacy

Such updates will be effective thirty (30) days after such notice to Customer.

B. Data Security

EdgeNode will take commercially reasonable precautions, including, without limitation, technical (e.g., firewalls and data encryption), administrative and physical measures, to help safeguard Customer's Account, Account Data, and Customer Content against unauthorized use, disclosure, or modification.

Customer must protect all End Points using industry-standard security measures. Customer is solely responsible for keeping all user identifications and passwords secure. Customer must monitor use of the Services for possible unlawful or fraudulent use. Customer must notify EdgeNode immediately if Customer becomes aware or has reason to believe that the Services are being used fraudulently or without authorization by any End User or third party. Failure to notify EdgeNode may result in the suspension or termination of the Services and additional charges to Customer resulting from such use. EdgeNode will not be liable for any charges resulting from unauthorized use of Customer's Account.

C. Software Changes

EdgeNode may from time-to-time push software updates and patches directly to Customer's device(s) for installation and Customer will not prevent EdgeNode from doing so. Customer must implement promptly all fixes, updates, upgrades and replacements of software and third-party software that may be provided by EdgeNode. EdgeNode will not be liable for inoperability of the Services or any other Services failures due to failure of Customer to timely implement the required changes.

10. LIMITATION OF LIABILITY

A. Excluded Damages

TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT WILL EDGENODE OR ITS AFFILIATES BE LIABLE FOR (1) INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, REPUTATIONAL, SPECIAL OR PUNITIVE DAMAGES OF ANY KIND; (2) COSTS OF PROCUREMENT, COVER, OR SUBSTITUTE GOODS OR SERVICES; (3) LOSS OF USE, LOSS OR CORRUPTION OF DATA; OR (4) LOSS OF BUSINESS OPPORTUNITIES, PROFITS, GOODWILL, OR SAVINGS, WHETHER IN ANY OF THE FOREGOING, ARISING UNDER CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY), OR ANY OTHER THEORY OF LIABILITY, EVEN IF SUCH PARTY HAS BEEN INFORMED IN ADVANCE OF SUCH DAMAGES OR SUCH DAMAGES COULD HAVE BEEN REASONABLY FORESEEN. NEITHER PARTY WILL BE LIABLE FOR ACTIONS REASONABLY TAKEN TO COMPLY WITH LAW.

NOTHING IN THIS AGREEMENT SHALL LIMIT OR EXCLUDE ANY LIABILITY WHICH MAY NOT BE RESTRICTED, LIMITED OR EXCLUDED PURSUANT TO APPLICABLE LAW.

C. Survival

The limitations of liability contained in this Section 10 (Limitation of Liability) will survive termination or expiration of this Agreement and apply in any and all circumstances (except as expressly set forth above), including without limitation in the event of any failure of the essential purpose of any limited warranty or available remedy provided herein.

11. Indemnification

A. Indemnification Obligations

Customer agrees to indemnify and defend EdgeNode and its Affiliates at Customer's expense, from and against any and all third-party claims, arising out of or in connection with: i) material violation of applicable Law by the Customer or its End Users in connection with the use of the Services; ii) use of the Services in a manner not authorized by this Agreement; iii) failure to promptly install any updates of any software or firmware or accept or use modified or replacement items provided by or on behalf of EdgeNode, or iv) claims relating to Customer Content. B. Defense and Indemnification Procedures

Any Party seeking defense or indemnification (the "Indemnified Party") must provide the Party from which it seeks such indemnification or defense (the "Indemnifying Party") with the following: (a) prompt written notice of the third-party claim, (b) sole control over the defense and settlement of the third-party claim, and (c) reasonable information, cooperation, and assistance in connection with the defense and settlement of the third-party claim. The Indemnified Party's failure to comply with the foregoing obligations will not relieve the Indemnifying Party of its defense or indemnification obligations under this Section (Indemnification), except to the extent that the Indemnifying Party is prejudiced by such failure. The Indemnified Party will have the right to participate at its own expense in the defense of such third-party claim, including any related settlement negotiations. No such claim may be settled or compromised by the Indemnifying Party without the Indemnified Party's express written consent (which such consent may not be unreasonably withheld, conditioned, or delayed), unless such settlement or compromise includes a full and complete release of all claims and actions against the Indemnified Party by each party bringing such third-party claim.

A. EdgeNode Warranty

EdgeNode will provide the Services using a commercially reasonable level of skill and care, in material compliance with all applicable Laws and otherwise subject to the terms of this Agreement. TO THE EXTENT THAT EDGENODE CANNOT DISCLAIM ANY SUCH WARRANTY AS A MATTER OF APPLICABLE LAW, THE SCOPE AND DURATION OF SUCH WILL BE LIMITED TO THE FULLEST EXTENT PERMITTED BY LAW.

13. Dispute Resolution

A. Good Faith Attempt to Settle Disputes

In the event of any dispute or claim arising out of or relating to the Agreement (a "Dispute"), or any Managed Services Agreement or SOW, each Party will appoint a duly authorized representative which will confer with the other Party before either Party brings legal action, to make a reasonable and good faith effort for thirty (30) days to settle or otherwise resolve such Dispute.

B. Venue

In the event that the Parties are unable to resolve a Dispute, any related action, lawsuit, arbitration, or proceeding must be brought in and adjudicated exclusively by state or federal courts, or other appropriate venue in the case of arbitration, located in the city and county of Louisville, Jefferson County, Kentucky. Each Party hereby consents to and agrees to submit to the exclusive venue and personal jurisdiction of such courts with respect to any such actions or lawsuits and irrevocably waives any right that it might have to assert that either forum is not convenient or that any such courts lack jurisdiction.

C. Equitable Relief

Any breach of either Party's rights will cause that Party irreparable harm for which monetary damages will be inadequate and such Party may, in addition to other remedies available at Law or in equity, obtain injunctive relief without the necessity of posting a bond or other security, proof of damages, or similar requirement, in additional to any other relief to which such Party may be entitled under applicable Law.

D. Limitations

Except for actions for non-payment or liability arising from Section 11 (Indemnification), no claim, suit, action or proceeding relating to this Agreement may be brought by either Party more than two (2) years after the cause of action has accrued. Any actions, lawsuits, or proceedings must be conducted solely on an individual basis and the Parties expressly waive any right to bring any action, lawsuit or proceeding as a class or collective action, private attorney general action or in any other capacity acting in a representative capacity. Under no circumstances shall EdgeNode, its contracted providers, officers, agents, or anyone else involved in providing Services be liable for any direct, indirect, incidental, special or consequential damages that result from the use of or inability to use the Facilities, or that results from mistakes, omissions, interruptions, deletion of files, errors, defects, delays in operation, or transmission or any failure of performance, whether or not limited to a Force Majeure Event, communication failure, theft, destruction or unauthorized access to Client's records, programs or services. THE TOTAL LIABILITY OF EDGENODE FOR ALL DAMAGES, LOSSES, AND CAUSES OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE SHALL NOT EXCEED THE AGGREGATE DOLLAR AMOUNT WHICH CLIENT PAID EDGENODE DURING THE TERM OF THIS AGREEMENT. THIS LIMITATION OF LIABILITY SHALL APPLY EVEN IF EXPRESS WARRANTIES (IF ANY) PROVIDED BY EDGENODE FAIL IN THEIR ESSENTIAL PURPOSE

D. Force Majeure

Excluding either Party's payment obligations under the Agreement, neither Party will be responsible or liable for any failure to perform or delay in performing to the extent resulting from a Force Majeure Event. The suspension of obligations under this Section 14D (Force Majeure) may under no circumstances be a cause of liability for failure to perform the obligation in question, nor induce the payment of damages or penalties for late payment.

E. Third-Party Beneficiaries

EdgeNode and Customer agree that there will be no third-party beneficiaries to this Agreement.

F. Internal Customer Activities

EdgeNode does not have any obligation to assist in or otherwise mediate in the event of any dispute between Customer representatives or Customer and any third party with respect to ownership or control of any Account or Account Data. All information within EdgeNode's records regarding the ownership or control of an Account or Account Data, Services ordered, and numbers assigned to an Account will be definitive and controlling for purposes of administering the Account. If the Parties, negotiating in good faith cannot reach agreement within thirty (30) days, either Party may terminate the portion of the Services affected by the change without penalty by written notice to the other Party. Any use of the Services after the effective date will be deemed Customer's acceptance of the change.

O. Severability and Waiver

In the event any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, such provision(s) will be stricken and the remainder of this Agreement will remain legal, valid and binding. The failure by either Party to exercise or enforce any right conferred by this Agreement will not be deemed to be a waiver of any such right or to operate so as to bar the exercise or enforcement of any such or other right on any later occasion. Except as otherwise expressly stated in this Agreement, all rights and remedies stated in the Agreement are cumulative and in addition to any other rights and remedies available under the Agreement, at Law, or in equity.

P. Publicity

Customer agrees that EdgeNode may identify customer as a user of the services. All press releases or quotes regarding Customer's use of service will be pre-approved by EdgeNode, which consent shall be in EdgeNode's sole discretion.
